## Book Details:

*Review: This is a wonderful telling of the story of Esther in graphic novel form. The text of the novel is true to the Megillah, and accompanied by some commentary at different points. If I had one complaint, its that its sometimes difficult to tell the commentary from the story. The drawings are creative and bring out aspects of the story, especially ones...*

*Description: Megillat Esther is commonly referred to as the Book of Esther: but there is nothing common about JT Waldman's interpretation of this Biblical story. In what may be the world's first religious, scholarly comic book, Waldman tells the epic tale of exile and redemption in graphic form. When Esther, a Jewish woman, is made Queen of Persia she must keep her...*
